

SCHOOL INTEGRATED PROGRAM

Course Objective

- To facilitate the students in preparation for competitive exams. The program is offered to students in their school premises during school hours.

What is an integrated School Program?

- A program for both **BOARDS** as well as **JEE (Main & Advanced)** / Other Competitive Entrance Exam Preparation - that will compliment each other.
- A program that ensures same teacher for XI, XII studies & JEE (Main & Advanced) preparation.
- A program that eliminates the extra pressure on the student.
- A program that will prepare students extremely well for not only JEE (Main & Advanced) and Board exams but for all Other Engineering Entrance Exams.
- A study plan that will ease out the pressure of the time for the student – providing lot of extra time for self studies, which you would not have got earlier and also giving him sufficient time for co-curricular activities, sports, social activities etc which are very important for his / her personality development.

Distinctive Features

- Periodic Assessment of knowledge/learning through tests which give enhanced performance in Competitive Examinations as well as Board examinations.
- We would maintain the individual student files to keep a track of student's progress.
- Various Types of tests will be conducted the Part Tests (PTs), Cumulative Tests (CTs), Major Tests (MTs), Open Tests (OTs).
- Tests will be conducted twice in a month.
- Results will be sent to the parent by email/sms.

Course Structure

- Duration of each lecture: One and half hour each Subject Per day.
- Classes will be conducted four days in a week.
- Study material/Sheet/Assignment/Miscellaneous Question Bank will be provided by us.

Admission Process

- Scholarship & admission will be granted for this program on the basis of aptitude test.
